Pimpri-Chinchwad, Pune, Maharashtra
(Full Stack Developer and Software Developer)

EDUCATION

Shri Guru Gobind Singhji Institute of Engineering and Technology, Nanded

B.Tech. in Information Technology (Pursuing)   *December 2021*
                                                                 CGPA: 7.16/10.0

Jawahar Navodaya Vidyalaya, Akkalkuwa
CBSE 12th Board   *December 2020*
                                                                 Percentage 83.2%

PROJECTS AND WORK HISTORY

Personal Portfolio Website | Web Development
- Designed and developed a personal portfolio website to showcase my skills, projects, and achievements
- Utilized HTML, CSS, and JavaScript for UI design with interactive elements and animations

MovieHub (ReactJS Website) | Web Development
- Developed MovieHub, a ReactJS website, to showcase a dynamic collection of movies
- Utilized an API to fetch movie data, populating the website's database

Login System and Mail Functionality | MERN (MongoDB, Express.js, React, Node.js)
- Develop a comprehensive MERN stack web application focusing on secure user authentication, including login, registration, profile management, and password reset features.
- Implement email functionality in the Node.js backend for sending notifications, confirmations, and password reset instructions, aiming for a seamless and secure user experience.

Royal Look (E-Commerce Website) | WordPress
- Developed an e-commerce clothing website named Royal Look using WordPress.Designed for a user-friendly shopping experience, emphasising the latest fashion trends in the clothing industry.
- Utilized various WordPress plugins, focusing on WooCommerce, to facilitate secure online transactions and ensure seamless inventory management.

Driver Drowsiness Detection | Hardware
- Developed a driver drowsiness detection system using Arduino microcontroller, motor, and buzzer to enhance safety by detecting signs of driver drowsiness or distraction during driving.

TECHNICAL SKILLS

Programming Languages	Frontend	Backend	Version Control	Tools
- C / C++	- HTML/CSS	- NodeJS	- GitHub/Git	- WordPress
- Java	- JavaScript	- ExpressJS	**Database**	- VScode
- Python	- Tailwind CSS	-MongoDB	-MySQL	

CERTIFICATION & ACHIEVEMENTS

- **Python** by *Great Learning – June 2022*
- **MySQL** by *Great Learning – January 2023*
- Solve 100+ Problems on GFG - *Link*
